THE MONSTER EXPOSED CHAPTER 2

OGERETSU TANAKA

I loved you.
Because you were gentle.
But, while I was touching you,

those feelings became rotten.

Hayashida and his kouhai Shuuna have a sex friends relationship. Hayashida has a history of being violent to his previous lover. Cornered by his past he hangs on to the fear that he will once again hit someone important to him. Shuuna accepts Hayashida as he is and is determined to remain with him but then Shuuna is suddenly being realistic that he is being transferred to Osaka.
